

QUICK START GUIDE

- STEP 1:** Fully charge the Bluetooth Keyboard Case with the supplied charging cable (estimated charge time is 3 hours).
- STEP 2:** Turn ON your iPad and make sure Bluetooth is turned ON under “Settings”.
- STEP 3:** Push and hold the Power/Connect Button to turn the Keyboard ON. The Power and Bluetooth Indicators will stay lit for 5 seconds.
- STEP 4:** Press the Power/Connect Button on the Keyboard to initialize a Bluetooth connection. The Power/Connect button will blink as it attempts to connect to your iPad.
- STEP 5:** When “Bluetooth Keyboard” appears on the iPad screen, tap it to connect.
- STEP 6:** A code will appear on the iPad screen. Type the code on the Keyboard and press the Enter/Return key.

Your iPad and keyboard have now been synced!
