

QUICK START GUIDE

innovative technology.™

STEP 1: Fully charge the Bluetooth Keyboard Case with the supplied charging cable (estimated charge time of 3hrs).

STEP 2: Turn ON your iPad mini and make sure Bluetooth is turned ON under "Settings".

STEP 3: Push the Power/Connect Button to turn the keyboard ON. The Power and Bluetooth Indicators will stay lit for 5 seconds.

STEP 4: Press the Power/Connect Button on the Keyboard to initialize a Bluetooth connection. The Power/Connect button will blink as it attempts to connect to your iPad mini.

STEP 5: When "Bluetooth Keyboard" appears on the iPad mini screen, tap it to connect.

STEP 6: A code will appear on the iPad mini screen. Type the code on the keyboard and press the Enter/Return key.

Your iPad and keyboard have now been synced!
