

QUICK START GUIDE

innovative technology.™

STEP 1: Fully charge the Bluetooth Keyboard Case with the supplied charging cable.
(estimated charge time is 3 hours)

STEP 2: Turn ON your Tablet and make sure Bluetooth is turned ON under “Settings”.

STEP 3: Push and hold the Power/Connect Button to turn the Keyboard ON. The Power and Bluetooth Indicators will stay lit for 5 seconds.

STEP 4: Press the Power/Connect Button on the Keyboard to initialize a Bluetooth connection. The Power/Connect button will blink as it attempts to connect to your Tablet.

STEP 5: When “Bluetooth Keyboard” appears on the Tablet screen, tap it to connect.

STEP 6: A code will appear on the Tablet screen.
Type the code on the Keyboard and press the Enter/Return key.

Your Tablet and keyboard have now been synced!
