### Care Instructions

With the proper care, your Travel Bags will provide long-lasting use while maintaining shape and durability. Be sure to store your bags in a cool dry place while not in use. Never wash the bags in the washer or place in the dryer. To clean, simply use a sponge with soapy water and gently wipe the bag. When finished, allow the bag to thoroughly air-dry before storing. Never overload the bags as they may break or cause the handles to tear-off.

Due to continuous product improvements, colors & styles may vary slightly from product shown. Bag measurements in inches.
